\* **NSF fee** is assessed each time an item is presented against insufficient funds. Any item (check, ACH, or other electronic transaction) that is initially returned to the payee because the Available Balance in your account was not sufficient to cover the item, can be represented by the payee for payment multiple times, which is beyond our control. We will charge a **NSF fee** or **Draft Protection Fee** regardless of the number of times an item is presented to us for payment against insufficient funds, and regardless of whether we pay or return the item.
